

CATERING IS THE LAST THING YOU SHOULD WORRY ABOUT.

We can handle every detail for you. We've catered every kind of meeting, event and celebration for over 50 years. Humbly speaking, our success comes with making people like you look good—because everything comes off just right. Our food is excellent, prepared with the finest and freshest ingredients. And our on-site staff treats your party like honored guests.

So for starters, take a look at all of the good things we offer. We'll gladly help you plan your menu and take care of any-or-all of the little details, too—like tables, chairs, linens, dishware... whatever you need! Call now, or visit us online, and see why people say "when Rose's takes care of catering, you can worry about something else."
